Dear Parents / Grandparents,

Our professional staff would like to thank you for allowing your children to participate in our Junior Golf Program. As you know, juniors of today will be members of tomorrow. Junior Golf is an excellent way to learn and improve the basics of golf with good sound instruction and professional supervision. It promotes progressive practice habits, encourages new friendships and properly acquaints children with a sport possessing life long values.

This year we encourage participation of all youngsters interested in working on their game and most of all having lots of fun.

See you on the links,
Terry Stiltner
